## PAHT Board

The PAHT Board is looking for a couple of new Trustees to join them. Specifically we are looking for people from the **Kenepuru or outer Sounds** and from the area from **Rai Valley to Okiwi Bay**. This ensures we have voices on the Board representing the whole of the Pelorus area. As a Trustee you will help advocate for better health and well-being services in our community and be instrumental in providing grants and donations to different community groups. Check our website for more information.

## Does your school or community group need \$\$\$\$ or help with any health needs??

PAHT has funding available to help with any health needs you require that align with the terms of our Deed. Whether it be equipment like Defibs or First Aid kits, training in health or well-being courses, projects or programmes to set up and run; that benefit your community, then let us know.

We may be able to help.
