

Pelorus Area Health Trust

With the move to Level 1 and things getting back to normal,
Havelock Medical Centre
is back to normal hours again too.

It is business as usual with doctors available for appointments on Mondays and Thursdays. Patients may still need to be screened on arrival, and some may be required to wear a mask if they have any cold or flu type systems.

Havelock Charity Shop

We are now accepting donated goods again at the new- look small shop.
We would particularly like to receive:

- Winter clothing- especially men's clothing
- Garden tools
- Plants and seedlings- for our new garden centre out the back

Unfortunately, we can no longer accept furniture, LPs/records, or large paintings

Please call the shop on 028 428 6071 before bringing in any donated goods
