## ***Over 55s Survey***

The Marlborough District Council is conducting a survey to find out the needs of the community, and to look at what services they can provide us. The survey for people over 55 years old is a chance for YOU to have your say in what you want. There are various categories including Technology / Housing / Health and Support Services/ Transport and Amenities / Community Engagement. It only takes a few minutes to fill out.

Pick up a hard copy of the survey from The Havelock Charity Shop or the Havelock Art Gallery, or go to this link: <https://www.surveymonkey.com/r/MarlboroughOver55>

## ***PAHT Donations & Funding***

Did you know that every year PAHT funds various organisations in the Pelorus Community? Last year we gave out over \$18,000 to community groups and organisations who, in some way, benefit the health and well being of our community.

If you have a community group that needs funding to help your local area, you could get a donation from PAHT. Everything from running exercise classes for the elderly, to setting up support services. Providing activities to keep our youth happy and healthy to running yoga classes.

Yes, we annually fund big organisations like St. John, the rescue helicopters, Hospice etc, but we are also happy to fund small local groups. As long as whatever service you want to provide, or project you want start, or thing you need to buy, benefits the health and well-being of your community.

Download the application form from our website or email [secretary@PelorusAreaHealthTrust.co.nz](mailto:secretary@PelorusAreaHealthTrust.co.nz) for more information.
